Each employee working fourteen (14) hours per week or more who, as of December 10, 1985, is a member of the UNION, shall maintain his/her membership in the UNION or pay to the UNION each month a fair share fee as a contribution toward the administration of this AGREEMENT. This "fair share fee" shall be subject to the regulations and procedures set forth in Minnesota Statute 179A.06, subd. 3, relating to fair share fees which, by reference, shall be a part of this AGREEMENT and govern the application of this section. This provision shall extend to any employee hired subsequent to December 10, 1985, and working at least forty (40) hours a pay period, as well. The EMPLOYER will furnish to the UNION the names of new employees hired and the EMPLOYER shall notify prospective employees of these provisions.

- B. The EMPLOYER shall remit such deductions monthly to the appropriate designated officer of the UNION with a list of the names of the employees from whose wages deductions were made.
- C. The UNION shall certify to the EMPLOYER, in writing, the current amount of regular dues to be withheld and any fair share assessments authorized by law.
- D. Such dues deductions shall be cancelled by the EMPLOYER upon written request by the employee.
- E. The EMPLOYER shall, once each calendar quarter or more frequently upon request of the UNION, make available to the UNION a report listing all employees covered by each bargaining unit as identified by the Article herein titled "Recognition." Such report shall contain the name, classification, pay rate, work unit and mailing address of record. Such report will not be available more frequently than once each bi-weekly payroll period.

Section 2. The UNION agrees to indemnify and hold the EMPLOYER harmless against any and all claims, suits, orders or judgments brought or issued against the EMPLOYER as a result of any action taken or not taken under the provisions of this Article.

Section 3. The UNION may designate certain employees from the bargaining unit to act as stewards and shall, within thirty (30) days of the execution of this AGREEMENT and upon occurrence of any change thereafter, certify to the EMPLOYER a current list of business representatives, officers and stewards who are authorized by the UNION to investigate and present grievances to the EMPLOYER. The EMPLOYER agrees to recognize such representatives for the purpose of investigating and presenting grievances to the EMPLOYER subject to the following stipulations:

- A. There shall be not more than eighteen (18) bargaining unit employees designated as stewards, subject to alteration upon mutual agreement between the UNION and the EMPLOYER.
- B. Not more than one employee representative (steward or officer) will be authorized time off with pay to investigate or present any one grievance matter to the EMPLOYER. Nothing in this clause is intended to limit the number of union stewards who may request to use their own time (vacation, compensatory, or time without pay) to investigate and present grievances.
- C. Bargaining unit employee stewards and officers may leave their work stations with the concurrence of their designated supervisor(s), and they shall notify their designated supervisor(s) upon return to their work stations. Concurrence of the supervisor to leave a work station for union business will be limited to the investigation and presentation of grievances to the EMPLOYER.
- D. Employee representatives of the UNION shall receive paid time off to participate in joint labor-management committee meetings and meet and confer sessions with the EMPLOYER. Time off with pay under this subsection shall be limited to those activities specifically initiated and/or approved by the EMPLOYER and occurring during the employee's regularly scheduled work time.
- E. The EMPLOYER shall make reasonable adjustments to the workloads of employee representatives of the UNION who receive paid time off for union related activities under the provisions of subsections B, C, and D above. Such adjustments shall be made only for those employees who perform these activities on a regular, ongoing basis.

Section 4. Non-employee business representatives of the UNION as previously designated to the EMPLOYER as provided herein may, with concurrence of the EMPLOYER, come on the premises of the EMPLOYER for the purpose of investigating and presenting grievances.

Section 5. The UNION agrees there shall be no solicitation for membership, signing up of members, collection of initiation fees, dues, fines or assessments, meetings or other union activities on the EMPLOYER's time.

Section 6. The UNION may use the EMPLOYER's facilities for union business with prior approval of the EMPLOYER. The UNION shall have access to the EMPLOYER's internal mail distribution system and electronic (e-mail) system consistent with the practice existing on the effective date of this agreement. However, the UNION agrees to request prior authorization from the EMPLOYER's Human Resources Department prior to use of the e-mail system for any mass communication.

- Section 7.** The EMPLOYER agrees to allow the UNION to use three (3) bulletin boards at Hennepin County Medical Center for Local 977 for the purpose of posting notices of union meetings, union elections, union election returns, union appointments to office, union recreational and social affairs, arbitration awards, decisions of the BMS and the courts, and other items specifically approved by the EMPLOYER. It is agreed that items which reflect negatively on the UNION, employees, or the EMPLOYER shall not be posted. All posted materials must be union publications or legibly signed by an authorized union representative.
- Section 8.** Employees have the right to join or to refrain from joining the UNION. Neither the EMPLOYER nor the UNION shall discriminate against or interfere with the rights of employees to become or not to become members of the UNION and further, there shall be no discrimination or coercion against any employee because of union membership or nonmembership. The UNION shall, in its responsibility as exclusive representative of the employees, represent all employees without discrimination, interference, restraint or coercion.
- Section 9.** Nothing in this AGREEMENT shall be construed to affect the status of veterans in contravention of existing veterans preference laws relating to the employment, discharge or promotion of veterans.
- Section 10.** During new employee orientation union employees will be advised to *contact* their union representative and will be provided a contact information *packet which the UNION shall make available to the EMPLOYER*. Additionally, on a bi-weekly basis the employer will provide the union with a list of any new employees eligible to be in the union by name, department and job classification.

ARTICLE 5 - EMPLOYER AUTHORITY

The UNION recognizes the right of the EMPLOYER to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. All rights and authority which the EMPLOYER has not officially abridged, delegated or modified by this AGREEMENT are retained by the EMPLOYER.

ARTICLE 6 - SENIORITY

- Section 1.** Seniority is an employee's length of service for the EMPLOYER from the most recent date of employment, re-employment or reinstatement.
- A. Seniority is not interrupted during the period an employee is on approved leave, including leave for union business or layoff, if the employee returns to active work status having complied with all the terms and conditions of this AGREEMENT and the conditions the EMPLOYER established in approving the leave.
 - B. If in the event of layoff or recall from layoff two or more employees possess the same seniority date, seniority in such cases shall be in order of the date of acquisition of permanent status in the class from which layoff is to occur or has occurred. If the tie cannot be broken by this method, seniority shall be determined by the last four digits of the employee's Social Security Number, with the employee having the highest such number being the more senior.
 - C. Seniority in work classes covered by this AGREEMENT shall be retained and continue to accrue during the probationary period if an employee leaves a unit covered by this AGREEMENT for another position with the EMPLOYER because of promotion, demotion or transfer provided an employee promoted to a supervisory position shall retain seniority rights as if still covered by this AGREEMENT.
 - D. An employee appointed to a permanent position in the same job class and department as he/she was employed as a temporary employee shall have seniority for purposes of layoff and recall from the employee's most recent date of hire as a temporary employee, provided such temporary and permanent appointments are contiguous and sequential.
- Section 2.** Seniority rights under this AGREEMENT shall terminate under the following conditions:
- A. Termination of employment.
 - B. Layoff in excess of a period equal to an employee's length of employment but not more than three years.
 - C. Failure to return to work in accordance with the terms and conditions of an approved leave of absence.
- Section 3.** Seniority lists shall contain the names of bargaining unit employees by class arranged in order of most to least senior.

- A. Upon request of the UNION, but not more often than once each calendar year, the EMPLOYER shall establish a seniority list for the designated class(es) covered by the unit. A seniority list shall also be established for affected class(es) covered by the unit at least ten (10) calendar days prior to the effective date of a layoff. A copy of seniority lists when established shall be furnished to the UNION's designated representative.
- B. Employees and the UNION shall be obligated to notify the EMPLOYER by certified mail of any error in the seniority list within thirty (30) days of the date the seniority list is furnished to the UNION's designated representative. Within thirty (30) days of notification of errors, the EMPLOYER shall correct errors in the seniority list and furnish the corrected list to the UNION's designated representative. If no error is reported within thirty (30) days after the date the seniority list is furnished or within thirty (30) days after the date a correction in such list is furnished to the UNION's designated representative, the list will stand correct as posted.

Section 4. Except in those instances where senior employees are not qualified to perform remaining work duties, seniority shall determine the order of:

- A. Layoff which shall be in inverse order of seniority within each work classification and department, provided that any employee who is to be laid off and has previously served in a lower work classification covered by this AGREEMENT may request to exercise seniority rights in such lower classification or its designated equivalent.
- B. Temporary and Intermittent employee assignments will end before permanent full-time and part-time employees are laid off.
- C. Recall from layoff which shall be in order of seniority within each work classification and department provided that if an employee does not return to work upon recall, as directed by the EMPLOYER or on an extended date mutually acceptable to the employee and EMPLOYER, he/she shall automatically have terminated his/her employment.
- D. If a senior employee requests exercise of seniority rights over a less senior employee for purposes of layoff, the senior employee, as a condition of the EMPLOYER granting such a request, must accept the work schedule (days of week, work shift, and number of hours per shift) and work location of the least senior employee. The senior employee, as an alternative to replacing the least senior employee in the department may, if such least senior employee's work location is outside the senior employee's geographical work area, request exercise of seniority rights over the least senior employee in the senior employee's geographical work area. In situations when more than one (1) employee in a job class is simultaneously requesting to exercise seniority rights to positions in the same lower job class, the EMPLOYER will make reasonable efforts to match scheduled hours by seniority.

Section 5. The EMPLOYER shall issue written notice of layoff or recall from layoff to affected employees at least ten (10) calendar days in advance of the effective date. Such notice shall be made by certified mail to the employee's last known address as shown by the EMPLOYER'S records except when the employees are present at the work site to receive notice.

Section 6. Assignment of employees to designated departments shall be at the discretion of the EMPLOYER. When it is necessary for the EMPLOYER to assign/re-assign an employee to a different work assignment, the EMPLOYER will provide such employee with two (2) weeks advance notice when practicable.

Section 7. The UNION will reimburse the EMPLOYER the expense of furnishing seniority lists required by this AGREEMENT in an amount equal to \$25.00 per list or \$.05 per employee on each list, whichever is greater, up to a maximum of \$50.00. When more than one copy of the list is requested or required by this AGREEMENT, the UNION shall reimburse the EMPLOYER for such copies at the rate of \$.20 per page.

Section 8. The above provisions shall not apply to the seniority list established by the EMPLOYER and provided to the UNION prior to the effective date of a layoff as provided in Section 3A herein.

Section 9. Employees on layoff will be recalled to fill vacancies in other classes and departments for which qualified, provided they may not exercise seniority rights to create such vacancies. Such employees may waive the recall if the salary rate offered by the EMPLOYER for the position to which recalled is more than twenty (20%) percent below the salary rate of the employee when laid off. The name of an employee so recalled will remain on the layoff list for the class from which laid off, subject to the conditions and limitations set forth in this AGREEMENT.

ARTICLE 7 - GRIEVANCE PROCEDURE

- Section 1.** A grievance shall be defined as a dispute or disagreement raised by an employee against the EMPLOYER involving the interpretation or application of the specific provisions of this AGREEMENT.
- Section 2.** It is specifically understood that any matters governed by statutory provisions, HCMC or departmental policies, procedures, or practices, except as expressly provided for in this AGREEMENT, shall not be considered grievances under this AGREEMENT. If by law an appeal procedure, other than the grievance procedure contained herein, is available for resolution of a dispute arising from any provision covered by this AGREEMENT and the aggrieved party pursues the dispute through such appeal procedure provided by law, the aggrieved employee(s) shall be precluded from making an appeal under this grievance procedure.
- Except that with respect to statutes under the jurisdiction of the United States Equal Employment Opportunity Commission or Minn. Stat. §§ 363.01 - .20, an employee pursuing a statutory remedy is not precluded from also pursuing an appeal under this grievance procedure.
- Section 3. GRIEVANCE PROCEDURE:** Grievances, as herein defined, shall be processed in the following manner:
- Step 1: INFORMAL.** An employee claiming a violation concerning the interpretation or application of the express provisions of this AGREEMENT shall:
- A. Within twenty-one (21) calendar days after the first occurrence of the event giving rise to the grievance, present such grievance, with or without the union representative, to his/her supervisor who is designated as appropriate for this purpose by the EMPLOYER.
 - B. The supervisor shall give his/her oral or written answer within fourteen (14) calendar days after such presentation to the employee and his/her steward.
- Step 2: FORMAL.** If the grievance is not satisfactorily resolved in Step 1 and the UNION wishes to appeal the grievance to Step 2 of the grievance procedure, it shall be referred, in writing, to the Department Head or his/her designated representative and to the Director of Human Resources Operations or his/her designee within fourteen (14) calendar days after the designated supervisor's answer as provided for in Section 3, Step 1-B. The grievance appeal shall be initiated by means of a written grievance to be signed by the employee and the union representative. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the provisions of the AGREEMENT allegedly violated, and the relief requested. The Department Head and/or his/her designated representative shall discuss the grievance with the UNION within fourteen (14) calendar days after the date presented at a time agreeable to the parties. If the grievance is resolved as a result of such a meeting, the settlement shall be reduced to writing and signed by the Department Head or his/her designated representative and the union representative. If no settlement is reached, the Department Head or his/her designated representative shall give written answer to the union representative within fourteen (14) calendar days following their meeting.

- Section 4. ARBITRATION.** If the grievance is not settled in accordance with the foregoing procedure, the UNION may refer the grievance to arbitration within fourteen (14) calendar days after the employee and UNION's receipt of the EMPLOYER's written answer in Step 2. The parties shall mutually agree upon an arbitrator. If the parties are unable to agree on an arbitrator, the selection of an arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances" as established by the Public Employment Relations Act and administered by the State of Minnesota Bureau of Mediation Services. The arbitrator shall hear the grievance at a scheduled meeting subject to the availability of the EMPLOYER and the union representatives. The arbitrator shall notify the union representative and the EMPLOYER of his/her decision within thirty (30) calendar days following the close of the hearing or submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the EMPLOYER and the UNION, provided that each party shall be responsible for compensating its own representatives and witnesses. Employees who serve as such representatives or witnesses shall not be compensated at a rate in excess of their base pay rate. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, provided it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally. The arbitrator shall not have the right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this AGREEMENT. The arbitrator shall consider and decide only the specific issue(s) submitted, in writing, by the EMPLOYER and the UNION, and shall have no authority to make a decision on any other issue(s) not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules or regulations having the force and effect of law. The decision shall be based solely upon the arbitrator's interpretation or application of the express terms of this AGREEMENT and on the facts of the grievance presented. If the arbitrator determines that the grievance is covered by law or statute, or not covered by the express provisions of this AGREEMENT, the arbitrator shall refer the grievance back to the parties without decision or recommendation. The parties may, by written agreement, agree to submit more than one grievance to the arbitrator provided that each grievance will be considered as a separate issue and each on its own merits.
- Section 5.** If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the EMPLOYER's last answer. If the EMPLOYER does not answer a grievance or an appeal thereof within the specified time limits, the employee/UNION may elect to treat the grievance as denied at that step. The UNION may then immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the EMPLOYER and union representatives involved in each step.
- Section 6.** Employees serving an initial probationary period shall have right of appeal only through Step 2 of this grievance procedure except for a grievance alleging an error in salary or benefits due.
- Section 7.** Temporary employees and employees serving in the unclassified service shall have right of appeal only through Step 2 of this grievance procedure.
- Section 8.** A permanent employee serving a promotional probationary period shall have right of appeal under this grievance procedure provided that such employee shall not have right to appeal beyond Step 2 of this grievance procedure, a demotion to his/her previous classification upon failure to satisfactorily complete the required promotional probationary period. When feasible, a demoted employee shall be returned to the geographical area from which originally promoted.
- Section 9.** The grievant shall not suffer loss of regular pay while the grievant's presence is necessary at a grievance presentation meeting with the EMPLOYER or an arbitrator, except where such grievance presentation meeting or arbitration hearing occurs during the period the grievant has been removed from his/her job for disciplinary reasons. The time spent by the grievant in an arbitration hearing shall not be counted as time worked for overtime eligibility.

ARTICLE 8 - NO STRIKE-NO LOCKOUT

- Section 1.** The employees of Hennepin County Medical Center and covered by this agreement are considered to be Essential employees under the Minnesota Public Employment Labor Relations Act. Therefore, the UNION and the EMPLOYER agree to be bound by Minnesota State Statute Section 179A.03.

ARTICLE 9 - WORK SCHEDULES/PREMIUM PAY

- Section 1.** This Article is intended only to define the normal hours of work and to provide the basis for the calculation of premium pay, if any. Nothing herein shall be construed as a guarantee of hours of work per day or per week.
- Section 2.** A payroll period shall be an averaged eighty (80) hours of work within a fourteen (14) calendar day period, except as may otherwise be defined in this AGREEMENT.
- Section 3.** Work shifts, work breaks, staffing schedules and the assignment of employees thereto, shall be established by the EMPLOYER.
- A. Where staffing schedules are routinely subject to change, a staffing schedule showing the regular work days and work hours of all employees shall normally be prepared and posted at least fourteen (14) calendar days in advance of their effective date. Such staffing schedules, once posted, will only be modified when necessitated by unscheduled employee absences and unscheduled changes in work load. A temporary change in the staffing schedule of a part-time or temporary employee is not a staffing schedule change for purposes of this Article. Employees may mutually agree to exchange days, shifts or hours of work with the approval of their supervisor provided such change does not result in the payment of overtime.
 - B. If changes concerning length and/or start and end of shifts for a work unit are to be made in existing full-time shifts, the EMPLOYER shall notify the UNION in advance of implementing the proposed changes and will provide the UNION the opportunity to meet and confer with respect to the proposed changes and their effect on employees. Such meet and confer sessions shall be conducted prior to the implementation of the change, except where an emergency or other unpredictable condition makes this impractical.
 - C. Employees shall normally be granted an unpaid lunch break and two (2) fifteen (15) minute relief periods during each full work shift of eight hours or more at times designated by the EMPLOYER. In some situations work demands may on occasion preclude the granting of an uninterrupted lunch break or relief period.
 - D. The Employer will meet and confer with the union prior to implementation of alternative work schedules
- Section 4.** As determined appropriate by the EMPLOYER, worked hours in excess of either forty (40) hours per work week or in excess of eight (8) and eighty (80) hours per payroll period shall be overtime and compensated at one and one-half (1-1/2) times the employee's base pay rate subject to the provision that no employee shall be eligible for overtime premium unless prior approval of the overtime work was granted by the employee's immediate supervisor or his/her designee.
- Section 5.** Employees shall be available for overtime work, holidays and night shifts when assigned to such unless excused by the EMPLOYER.
- Section 6.** Unless specifically provided in another section of this Article, the base pay rate or premium compensation shall not be paid more than once for the same hours worked under any provisions of this AGREEMENT.
- Section 7.** A shift differential of \$.80 per hour shall be paid to all employees who work on an assigned shift where at least five (5) hours of the shift occur between 5 p.m. and 7 a.m. Night shift differential shall be \$1.00 per hour. Such shift differential shall be paid in addition to other forms of premium compensation for which the employee qualifies. Shift differential for Health Care Assistant and Nursing Assistant shall be \$1.00 per hour.
- Section 8.** Employees called to the work site by the EMPLOYER shall be paid for hours actually worked at their base pay rate but not less than four (4) hours. Such payment shall be either in cash or compensatory time off as determined by the EMPLOYER.
- Section 9.** Should the EMPLOYER intend to institute flex time, job sharing or work tasking, it shall first meet and confer on any of the above-mentioned items with the UNION.

- Section 10.** When an employee is expressly assigned to perform the duties of a position allocated to a different classification that is temporarily unoccupied, and such assignment is for forty (40) or more continuous regular hours, the employee shall be paid for all such hours at the employee's current salary rate when assigned to work in a lower or equal class or at a rate within a higher range which is equal to the minimum rate for the higher class or one (1) step higher than the employee's current salary, whichever is greater. In order to qualify for such higher rate, the employee must perform that work which distinguishes the higher classification from the employee's regular class in terms of level of responsibility, types of duties, and/or quality and quantity. Rotation of employees through a position in a higher class for the purpose of avoiding payment of out of class pay is a violation of the intent of the out of class pay agreement.
- Section 11.** An employee expressly designated by the EMPLOYER to be in charge in the absence of a supervisor, conduct formal peer training of a new employee, or perform lead worker responsibilities shall receive a differential of \$1.00 for each hour worked or so designated. This increased differential will be effective the first day of the first full payperiod following ratification of the contract by the UNION.
- Section 12.** Work shifts shall be considered part of the day and date on which they begin.
- Section 13.** A weekend differential of \$.90/hour shall be paid to all full-time employees required to work on any shift(s) that start on either Saturday or Sunday as part of their regular schedule. Part-time employees who are scheduled to work at least twenty (20) hours per week shall be eligible for weekend differential. Such weekend differential shall be paid in addition to other forms of premium compensation for which the employee qualifies.
- Section 14.** Approved vacation hours shall count as hours worked for purposes of computing overtime.
- Section 15.** Overtime shall be distributed as equally as practicable.
- Section 16.** Employees who are regularly scheduled rotation through all three (3) shifts shall be assigned a maximum of two (2) different shifts within a payroll period where the EMPLOYER determines staffing needs and service demands permit.
- Section 17.** Employees who are specifically required or authorized by the EMPLOYER to use foreign or sign language skills shall be compensated for such work according to the following terms and conditions:
- A. Full-time employees who are regularly required to use foreign language or sign language skills in addition to other job duties shall receive a salary differential of \$45.00 per payroll period. This differential shall be pro-rated on the basis of scheduled hours for part-time employees. This differential will be in effect for all compensated hours including compensated leaves.
 - B. Employees who provide foreign language or sign language interpretation on an occasional or irregular basis at the request of the EMPLOYER shall receive \$9.00 per day in addition to their regular salaries for any work day on which such services are performed. This additional compensation shall not exceed \$45.00 for any one payroll period.
 - C. The increased interpreter pay will be effective the first day of the first full pay period following ratification of the contract by the UNION.
- Section 18.** Employees expressly assigned by the EMPLOYER to remain in "On Call – Off Premises" status shall receive \$2.50 for each hour so assigned.
- Section 19.** The EMPLOYER will provide an internal meal pass in the amount of \$4.00 when employees work 7.5 or more hours over their regularly scheduled shift.
- Section 20.** In the event the EMPLOYER exercises its discretion to close a department, work site or workplace due to an emergency, including inclement weather, employees who were scheduled to work but could not due to such employer decision may use accrued leave (vacation, sick leave, compensatory time, deferred holiday) to cover the hours missed. Further, with the approval of the EMPLOYER, an employee may be allowed to make up the time by working additional hours.

ARTICLE 10 - HOLIDAYS

Section 1. Employees shall be entitled to compensated time off for designated holidays, provided the employee is on compensated payroll status the last work day preceding the holiday and the first work day following the holiday. Designated holidays shall be eight (8) hours each and are as follows:

*Beginning January 1, 2009, there will be no change to the number of paid holidays, however four of the holidays recognized in 2008, will become floating holidays. Specifically, Martin Luther King Day, President's Day, Veteran's Day and the day after Thanksgiving will be replaced with floating holidays. Floating holidays will accrue at the rate of 1.23 hours per pay period for full-time employees (pro-rated for benefit earning part-time employees). Floating holidays will accrue based on hours worked, not FTE status. Floating holidays must be scheduled at a time that is mutually agreeable to the Medical Center and employee. Floating holidays that are not used in the calendar year will roll over to the following year, and there will be no cap on the number of floating holidays that an employee can carry. Floating holidays are not paid out at termination of employment.

Employees who work the Christmas Eve holiday shall receive compensation of two (2) times their base pay rate for hours worked on that holiday. Compensation for holiday hours worked shall be provided either in compensated time off or cash payment as approved by the EMPLOYER.

Section 3. Holiday hours for holiday benefit purposes will begin at 11:00 p. m. with the start of the 11:00 p. m. to 7:00 a. m. shift and will end at 11:00 p. m. on the holiday.

Section 4. Holidays which occur within an employee's approved and compensated vacation or sick leave period will not be chargeable to the employee's vacation or sick leave time.

Section 5. Employees may observe a religious holiday on days which do not fall on Sunday or a legal holiday. Observance of such religious holiday shall be charged against accumulated vacation, compensatory leave or taken as a floating holiday, leave without pay, or PTO (after January 1, 2009). The EMPLOYER may arrange to have the employee work an equivalent number of hours to the hours taken for such holiday if arrangements can be made for the employee to work another day. The employee must notify the EMPLOYER at least ten (10) days in advance of the religious holiday of his/her intent to observe such holiday. The EMPLOYER may waive this ten (10) day requirement if the EMPLOYER determines that absence of such employee will not substantially interfere with the department's function.

- Section 6.** At least sixty (60) calendar days prior to each holiday, the EMPLOYER shall post a sign-up sheet within each work unit or cost center asking employees to indicate whether or not they want to be scheduled to work the holiday. Reasonable consideration shall be given to such requests, provided staffing requirements are met.
- Section 7.** The prorated holiday benefit, as identified in Section 1 above, for a part-time employee shall be calculated on the actual number of compensated payroll status hours approved during each holiday payroll period.

ARTICLE 11 - VACATIONS

Section 1. This article applies to employees hired or rehired on or before December 31, 2008 who do not choose to participate in the Flex PTO program as described in Article 13 of this agreement.

Section 2. Full time employees shall accrue vacation benefits in accordance with the following schedule:

More than twelve (12) years but less than eighteen (18) years (37,440 compensated regular hours)	160 hours
Over eighteen (18) years	184 hours

- Section 3.** Vacation leave shall not accumulate in excess of two hundred eighty (280) hours. The EMPLOYER shall not be responsible for managing an employee's vacation leave balance so as to ensure no loss of the benefit because the balance is at or near the 280 hour limit. Correspondingly, the EMPLOYER will not force employees to take vacation for such purpose.
- Section 4.** Requests for vacation leave must be submitted to the employee's designated supervisor at least forty-eight (48) hours in advance of the absence requested and are subject to the supervisor's written approval. The forty-eight (48) hour advance notice requirement may be waived if, in the judgment of the supervisor, the leave will not cause undue inconvenience to the EMPLOYER. The EMPLOYER will respond to all in-advance requests within seven (7) calendar days of the date the request is received provided the request is received by the EMPLOYER at least seven (7) calendar days prior to the beginning of the requested vacation period. Such employer approval must be received by the employee in order for such vacation request to be considered approved. Vacations, once approved, shall not be cancelled by the EMPLOYER except for emergency situations.
- Section 5.** When it is necessary for the EMPLOYER to disapprove vacation leave requests because the number of employees requesting leave exceeds the number of employees the EMPLOYER determines it possible to grant such vacation leave, the EMPLOYER shall consider seniority, job assignment and order of submission in granting such requests.
- Section 6.** Upon the complete termination of employment, employees shall be eligible to receive their unused accumulated vacation as a severance payment. Any vacation severance shall be paid at the employee's base pay rate at the time of termination, and shall be subject to the limitations on severance payment stated in the Article herein titled "Severance Pay."
- Section 7.** Employees may use accumulated vacation leave benefits as an extension of sick leave, provided all sick leave benefits have been exhausted. Vacation leave benefits utilized as an extension of sick leave shall be subject to the same conditions regulating the use of sick leave.
- Section 8.** Except in the case of an institutional emergency, employees on pre-approved vacation are exempt from working mandatory overtime during their vacation. For purposes of this section, vacation shall be defined as the end of an employee's last scheduled shift to the beginning of the employee's next scheduled shift. Scheduled days off, taken in conjunction with vacation, will be considered part of the employee's vacation for the purpose of this section.

Section 9. At the discretion of the Department Director, newly hired employees may receive vacation accrual rate credit for previous relevant experience with another employer. Further, at the discretion of the Department Director, additional vacation accrual may be granted for the purposes of retaining a valuable employee.

ARTICLE 12 - SICK LEAVE

- Section 1.** This article applies to employees hired on or before December 31, 2008 who do not choose to participate in the Flex PTO program as described in Article 13 of this agreement. Sick leave shall be earned by full-time employees at the rate of eight (8) hours for each full month of service except that newly hired, re-employed or reinstated employees who have completed less than six (6) months (1,040 compensated regular hours) of full-time service, shall earn sick leave benefits at the rate of 5.33 hours for each full month of service.
- Section 2.** Sick leave benefits shall only accrue when an employee is on compensated regular hours or, in accordance with state and federal laws, is on approved military leave.
- Section 3.** An employee may accumulate seven hundred twenty (720) hours of sick leave. For every eight (8) hours of sick leave accumulated in excess of seven hundred twenty (720) hours, the employee will be given credit for four (4) hours of additional vacation and four (4) hours of sick leave. Sick leave shall be charged off only for hours that would normally have been worked.
- Section 4.** Upon complete termination of employment in good standing of any permanent employee, such employee shall be paid for his/her accumulated unused sick leave at the employee's base pay rate subject to the limitations on severance payment stated in the Article herein titled "Severance Pay."
- Section 5.** An employee may utilize his/her allowance of sick leave on the basis of application therefor approved by the EMPLOYER for absences necessitated by inability to perform the duties of his/her position by reason of illness or injury, by necessity for medical care or dental care, or by exposure to contagious disease under circumstances in which the health of employees with whom he/she is associated or members of the public with whom he/she deals would be endangered by his/her attendance on duty, or by illness in his/her immediate family for such periods as his/her absence shall be necessary subject to certification by medical authority. The term "immediate family" shall be limited to spouse, children, a person regularly residing in the employee's immediate household, or parent where the parent has no other person to provide the necessary nursing and care. Sick leave usage shall be subject to approval and verification by the EMPLOYER who may, after three (3) consecutive days' absence, require the employee to furnish a report from a recognized physical or mental authority attesting to the necessity of the leave, and other information the EMPLOYER deems necessary, as provided in the Article herein titled "Fitness for Duty." Employees whose use of sick leave is habitual, patterned or inappropriate may be required to submit such report for absences of less than three (3) days duration.
- Section 6.** Sick leave benefits when authorized shall be paid at the employee's current base pay rate.
- Section 7.** To be eligible for sick leave payment, an employee must notify his/her supervisor or his/her designee as soon as possible but not later than one (1) hour prior to the starting time of his/her scheduled shift. This notice may be waived if the employee can conclusively establish that he/she could not reasonably have been expected to comply with this requirement because of circumstances beyond the control of the employee.
- Section 8.** A disabled employee who, because of illness or injury, has exhausted all sick leave benefits may be granted a medical leave of absence without pay. The seniority status of a disabled employee who is granted a medical leave of absence shall be determined in accordance with the provisions of the Article herein titled "Seniority." An employee requesting a medical leave of absence without pay shall be required to furnish conclusive evidence of disability to the EMPLOYER. If the employee fails to furnish conclusive evidence that the absence from duty is necessary, or if the employee fails to undergo an evaluation or furnish a medical report as requested by the EMPLOYER in accordance with the Article herein titled "Fitness for Duty," the EMPLOYER shall have the right to require the employee to return to work on a specified date. Should the employee not return to work on such specified date, the employee may be considered to have resigned in accordance with the Article herein titled "Absence Without Leave."
- Section 9.** All sick leave that has been accumulated by an employee shall be cancelled upon the date of separation from the EMPLOYER'S service.

Section 10. Employees may utilize sick leave to pay for approved health and fitness activities, to a maximum of \$1,500.00 per year.

ARTICLE 13 FLEXIBLE PAID TIME OFF (FLEX PTO)

Section 1. Benefit earning employees newly hired or rehired into the bargaining unit on or after January 1, 2009 will be covered by the Medical Center’s Flexible Paid Time Off (Flex PTO) benefit program.

Section 2. Current benefit earning employees as of December 31, 2008, may at their option elect to participate in the PTO plan.

If an employee elects to be covered under the Flex PTO plan they will be able to convert all of their earned and accrued leave balances into Paid Time Off or convert any sick leave accruals into cash, PTO Time Off or Extended Medical Leave according to the options specified in Attachment B of this agreement.

Section 3. Full-time benefit earning employees will accrue Paid Time Off according to the following schedule. The accrual will be prorated for part-time benefit earning employees.

Years of Service	Hours per Pay Period Earned	Annual Flex PTO Days Earned	Annual Flex PTO Hours Earned
0 - 1	8.61	28	224
2 - 6	9.23	30	240

11 - 16	11.07	36	288
16 – 21	11.69	38	304
21 -	12.30	40	320

Section 4. Flex PTO may be accumulated up 400 hours and carried from year to year.

Subject to Attachment B, employees who convert to Flex PTO may maintain an extended sick leave bank and may access those banked hours for extended illnesses, injury or disability.

Section 5.

Upon termination of employment employees will be paid for all accumulated Flex PTO hours (up to 400 hours) in addition to up to 800 hours of Extended Medical Leave. Flex PTO hours and up to 800 hours of Extended Medical Leave for those employees with eight (8) or more years of service upon termination of employment will be paid in the same manner as payment of sick leave in the Severance Pay benefit contained in Article 22 of the agreement. The amount of the potential payout will be reduced by any hours transferred into the Flex PTO bank or paid out in cash upon conversion to Flex PTO (see Attachment B).

Benefit earning employees who are asked or are required to work on the following holidays will be paid premium pay.

Section 6.

- | | |
|------------------|--|

| Memorial Day | Christmas Day |
| Independence Day | |

The Extended Medical Leave Bank (EML) is intended to help continue employee’s salaries during the waiting period before disability benefits begin due to extended illness, injury or disability. Flex PTO hours must be used for the first three (3) days of illness and the EML bank hours beginning the fourth day. Employees may also use EML bank hours for their own illness or injury or to care for a parent, spouse or child in coordination with leave of absence policies.

Section 8. Employees participating in Flex PTO who are regularly scheduled to work at least 56 hours per pay period will receive EMPLOYER paid short term and long term disability insurance at no cost to the employee or deduction from PTO accruals

Section 9. Language contained in this agreement governing the approval and use of Sick Leave and Vacation shall be applicable to the use of Flex PTO.

ARTICLE 14 – LEAVES OF ABSENCE

Section 1. Except as otherwise provided in this AGREEMENT, written request for leave shall be made by employees prior to the beginning of the period(s) of absence and no payment for any absence shall be made until the leave is properly approved. All leaves of absence without pay shall be granted at the discretion of the EMPLOYER and must be approved by the EMPLOYER in advance. Upon application by the employee, leaves of absence may be extended or renewed at the discretion of the EMPLOYER.

Section 2. Authorization for or denial of a requested leave of absence without pay of more than ten (10) working days duration, shall be furnished to the employee in writing by the EMPLOYER within seven (7) working days of its receipt. All leave of absence requests shall be given reasonable consideration by the EMPLOYER.

Section 3. Deductions from leave accumulations for an employee on leave with pay shall be made on a work shift basis, and no such deductions shall be made from leave accumulations for holidays or non-work days falling within such leave with pay, subject to the provisions set forth in the Article herein titled "Holidays."

Section 4. Accrual of vacation leave and sick leave benefits during the period of leave of absence with pay shall continue. If an employee is granted leave without pay, he/she will not be credited with vacation or sick leave accruals for the period of leave without pay with the exception of approved military leave when required by law.

Section 5. A leave of absence for birth or adoption of a child shall be in accordance with the policy set forth in Medical Center Human Resource Policies.

Section 6. All leaves of absence without pay shall be subject to the condition that the EMPLOYER may cancel the leave at any time upon prior notice to the employee specifying a date of termination of the leave. Military leave, leave for purposes of union business or educational leave approved by the EMPLOYER in writing as non-cancelable for a specific duration shall not be subject to such cancellation. Notwithstanding the above, the EMPLOYER, upon prior notice to the employee, may cancel any approved leave of absence at any time the EMPLOYER has evidence that the employee is using the leave for purposes other than those specified at the time of approval.

Section 7. No leave of absence without pay shall be granted for the purpose of accepting or continuing other employment.

Section 8. Any employee returning from an approved leave of absence as covered by this Article who has complied with all the conditions upon which the leave was approved shall:

- A. Be reinstated in the position held at the time the leave was granted if the leave was for a period of less than six months duration, or
- B. In the event the position held at the time the leave was granted has been filled or abolished, the employee shall be reinstated to a vacant position for which qualified in the class, bargaining unit and department from which leave was granted, or
- C. In the event no vacancy exists in the class, bargaining unit and department from which leave was granted, the employee may either exercise County seniority to replace the least senior employee in the class, bargaining unit and organizational unit from which the leave was granted, provided the employee is qualified to perform the work of the less senior employee, or if mutually agreeable to the employee and the EMPLOYER, be placed on a layoff list for the class, bargaining unit and department from which leave was granted. The salary rate for an employee reinstated following a leave of absence shall be the rate the employee held at the time the leave was granted or such rate as adjusted by a general adjustment to the class.

Section 9. In accordance with the provisions of this Article, employees may be granted a leave of absence for purposes of union business.

Section 10. An employee acting in his/her official capacity within the limits of the authority established by the EMPLOYER who receives a disabling injury during the performance of assigned official duties wherein the injury is sustained through a physical assault by a client or a member of the public, and wherein the employee has not contributed to the cause of the injury through negligence or provocation, may be granted leave with pay for any period of disability up to ninety (90) calendar days. Request for such leave shall be presented to the EMPLOYER together with supporting documentation including appropriate physician(s) reports. Such leave, if granted, shall not be charged to normal sick leave and shall be subject to the provisions of the contractual Article herein titled "Leave Benefits and Workers' Compensation Benefits."

ARTICLE 15 - ABSENCE WITHOUT LEAVE

Any absence of an employee from scheduled duty that has not been previously authorized by the EMPLOYER may be deemed an absence without leave. Any employee absent without leave will be subject to disciplinary action, and any employee absent without leave for three (3) consecutive days may be deemed to have resigned his/her employment, provided that the EMPLOYER may grant approval for leave subsequent to the unauthorized absence if the employee can conclusively establish to the EMPLOYER that the circumstances surrounding the absence and failure to request leave were beyond the employee's control.

ARTICLE 16 - LEAVE BENEFITS AND WORKERS' COMPENSATION BENEFITS

Any employee who by reason of sickness or injury receives workers' compensation benefits may do either of the following:

- A. Retain the workers' compensation benefits and request to be placed on a medical leave of absence without pay, or
- B. Retain the workers' compensation benefit and receive from the Employer any available earned accumulated sick leave, vacation leave, or other accumulated leave benefit.

The total weekly compensation including leave and workers' compensation benefits shall not exceed the regular weekly base pay rate of an employee.

ARTICLE 17 - FUNERAL LEAVE

The EMPLOYER will approve and administer leave with pay in cases of death in the immediate family for purposes of attending funeral services and absences necessary to make funeral arrangements for the decedent. The degree of relationship is limited to: spouse, parent, step-parent, parent-in-law, children, stepchildren, brothers, brothers-in-law, sisters, sisters-in-law, aunts, uncles, nieces, nephews, grandparents, grandparents-in-law, grandchildren, or person regarded as a member of the employee's immediate family. Such leave shall be limited to a maximum of three (3) shifts per occurrence for which the leave is approved not to exceed forty-eight (48) hours in any calendar year.

The intent of the Employer and union is to recognize "non-traditional" family relationships that employees might have with persons who do not meet the literal definitions enumerated above, but who fulfill the same roles for the employee. For example, the funeral of an employee's domestic partner would qualify for paid leave under this language, if the domestic partner's relationship to an unmarried employee is comparable to that of a married employee's spouse. Similarly, such a domestic partner's parents would be analogous to parents-in-law, and the domestic partner's children would be analogous to the employee's children or stepchildren. Another type of qualifying relationship could be the parent of the employee's children (if the parents are not married).

Because the criteria relate to the definition of "immediate family" found in the labor agreement, application of the term must be consistent with the definition found in the agreement. An employee's qualifying "non-traditional" family relationship should virtually be the equivalent of a qualifying "traditional" relationship. There should be a history to the relationship that establishes such equivalency.

It would be inappropriate, for example, for an employee to decide that any funeral qualifies for paid leave under this Article, because all humanity is a "family." It would also be inconsistent with the intent of the language for the employee to decide that a friend is the equivalent of a brother or sister (although a friend might qualify as a "brother" if he and the employee grew up together in the same household). Friendship alone is not a defining characteristic of either traditional or nontraditional relationships.

ARTICLE 18 - MILITARY LEAVE OF ABSENCE WITHOUT PAY

In accordance with the requirements and provisions of state and federal laws, employees shall be entitled to military leaves of absence without pay for services in the armed forces of the United States and reinstatement at the expiration of such leave. Such leave shall be

authorized only in cases where the employee has been officially called to active duty in the military service and shall be authorized only as long as the employee is in the service as required by the government.

ARTICLE 19 - MILITARY RESERVE TRAINING

In accordance with state and federal laws, any employee who is a member of any reserve component of the military forces of the United States required by official military orders or related authority to attend Military Reserve training shall receive full wages at his/her current base pay rate for the period of the active duty required for such training not to exceed fifteen (15) days per calendar year.

ARTICLE 20 - COURT DUTY

Section 1. After due notice to the EMPLOYER, employees subpoenaed to serve as a witness in cases arising from or during the performance of their official duties, or called and selected for jury duty, shall be allowed their regular compensation at their current base pay rate for the period the court duty requires their absence from work duty, plus any expenses paid by the court. Such employees, so compensated, shall not be eligible to retain jury duty pay or witness fees and shall turn any such pay or fees received over to the EMPLOYER. If an employee is excused from jury duty prior to the end of his/her work shift, he/she shall return to work as directed by the EMPLOYER or make arrangement for a leave of absence.

Section 2. Any absence, whether voluntary or by legal order to appear or testify in private litigation, not in the status of an employee but as a plaintiff or defendant, shall not qualify for leave under this Article and shall be charged against accumulated leave or be without pay.

ARTICLE 21 - ELECTION DAYS

An employee who is entitled to vote in any election, as defined in M.S. 204C.04, subd. 2, may absent himself/herself from his/her work for the purpose of voting during such election day for a period not to exceed two (2) hours without deduction from salary on account of such absence, provided the employee has made prior arrangements for the absence with the EMPLOYER. Any employee making claim for time off for voting and not casting a ballot or utilizing the time off for unauthorized purposes shall be subject to disciplinary action.

ARTICLE 22 - INSURANCE

Section 1. The EMPLOYER will provide to employees individual/dependent group hospitalization and medical insurance coverage for benefit eligible (at least forty hours per payperiod).

Individual or single coverage: The EMPLOYER will pay 100% of the monthly premium for each employee selecting individual/single coverage in 2008 and 2009.

Family coverage: The EMPLOYER will pay 74.8% of the monthly premium for each employee selecting family coverage in 2008 and 2009.

In no case shall the allowance exceed the actual cost of the group coverage selected. Any cost balance which exceeds the amount available within the monthly allowance after deduction of the premium for the selected group coverage shall be paid by the employee through payroll deduction.

Section 2. Subject to I.R.S. Rules and Regulations, each employee covered by this AGREEMENT may individually elect to participate in the Hennepin County Medical Center Health Care Expense Account plan as an option to the EMPLOYER hospitalization and medical insurance coverage allowance specified in Section 1. Employees may voluntarily elect to have a portion of their gross earnings placed in a special account to be managed on their behalf by the EMPLOYER. The employee can use funds from this account to pay certain employee expenses that qualify for exemption from mandatory payroll deductions such as income taxes. Such expense account arrangement shall afford employees the opportunity to pay their qualifying expenses with earnings unreduced by certain mandatory payroll deductions.

Section 3. Subject to I.R.S. Rules and Regulations, each employee covered by this AGREEMENT may individually elect to participate in the Dependent Care Assistance Program provided by the EMPLOYER. Employees may voluntarily elect to have a portion of their gross earnings placed in a special account to be managed on their behalf by the EMPLOYER. The

employee can use funds from this account to pay certain employee expenses that qualify for exemption from mandatory payroll deductions such as income taxes and pension contributions. Such expense account arrangement shall afford employees the opportunity to pay their qualifying expenses with earnings unreduced by mandatory payroll deductions.

- Section 4.** Subject to I.R.S. Rules and Regulations, each employee covered by this AGREEMENT may individually elect to participate in the Hennepin County Medical Center Parking Expense Account plan. Employees may voluntarily elect to have a portion of their gross earnings placed in a special account to be managed on their behalf by the EMPLOYER. The employee can use funds from this account to pay certain employee expenses that qualify for exemption from mandatory payroll deductions such as income taxes.
- Section 5.** The EMPLOYER shall pay the full cost of a \$20,000 double indemnity individual term life insurance contract for each employee.
- Section 6.** The EMPLOYER shall, subject to availability, arrange for a group Long Term Disability Insurance Plan which shall be in accordance with criteria and benefit levels established between the EMPLOYER and underwriter. Implementation and continuance shall be contingent upon such a plan being available in accordance with those criteria and available on an individual employee option basis. Employees not participating in Flex PTO electing the Long Term Disability option will have their sick leave accrual rate charged for the equivalent number of hours necessary to provide for the premium cost, the value of each sick leave hour to be equivalent to the employee's hourly salary rate. Employees who do not have sufficient sick leave accrual to cover premium cost shall make sufficient cost payment to the EMPLOYER. If such a plan cannot be provided on an individual option basis, the EMPLOYER has no obligation to provide for this coverage. The Employer will provide employees participating in the Flex PTO benefit program and who are regularly scheduled to work at least 56 hours per payperiod with both short and long term disability coverage at no cost to the employee.
- Section 7.** It is expressly understood that the EMPLOYER's obligation in this Article is limited to payment of the specified premium charges for the group insurance coverage as specified herein.
- Section 8.** The EMPLOYER reserves the right to change insurance carriers or self-insure. If such change of carriers or self-insurance is to result in a change in the level of employee benefits, the EMPLOYER agrees to meet and confer with the UNION on the change.

ARTICLE 23 - SEVERANCE PAY

- Section 1.** Severance pay shall be paid to qualifying permanent employees who have completely terminated their employment with the Medical Center in good standing and have completed eight (8) years of continuous service with the Medical Center. For the purpose of this section, Medical Center service shall include continuous service with Hennepin County prior to the establishment of Hennepin Healthcare Systems, Inc. on January 1, 2007. Any employee who shall have received severance pay upon termination of his/her employment shall not again be eligible to accrue any severance pay benefits upon re-employment with the Medical Center except for any hours accumulated in excess of the number for which he/she has been previously compensated. Such severance shall be based upon and measured by unused accumulated sick leave and unused accumulated vacation leave accruing to such employee during Hennepin County Medical Center employment. Such severance pay shall not exceed eight hundred (800) hours of the unused accumulated sick leave and unused vacation leave which has accrued to the credit of the employee at the date of severance of such employment. If an employee elects sick leave payout or the PTO conversion options (see Attachment B) when electing to participate in the Flex PTO program, the amount of such payout will be deducted from this 800 hours maximum payout. Severance pay shall be computed on the basis of the employee's base pay rate in effect on the date of termination. Severance pay of a deceased employee shall be paid to a named beneficiary or, lacking that, his/her estate or legal representative.

Employees shall provide the EMPLOYER with two (2) weeks written notice in advance of the date the employee leaves. If an employee fails to provide the required two (2) week notice, the EMPLOYER shall exclude eighty (80) hours of sick leave severance pay to which the employee may be otherwise entitled in accordance with this AGREEMENT.

- Section 2.** All accumulated leave benefits shall be expired upon the date of severance from Hennepin County Medical Center service.
- Section 3.** The eligibility provisions of this Article regarding years of service shall not apply to permanent employees who die prior to achieving eight (8) years of service with the Employer.

ARTICLE 24 - STABILITY ADJUSTMENTS

Section 1. Employees hired on or before December 31, 2008 are eligible for Stability Adjustments based upon length of continuous service. Employees that are hired or rehired to the bargaining unit on or after January 1, 2009 shall be ineligible for this adjustment. When an employee has completed five (5) years (10,400 regular hours) of full-time service as of December 1 of the current year, he/she shall be eligible to receive two and one-half (2 1/2) percent of his/her annual salary for the current calendar year based on his/her current base rate of pay. For each additional year (2,080 regular hours) of full-time service after five, the employee shall qualify for an additional one-half (1/2) of one (1) percent up to and including his/her tenth year. For all service after ten (10) years (20,800 regular hours), the stability payment shall continue at the rate established for the tenth year of five (5) percent. At the discretion of the EMPLOYER, time on authorized leave of absence for education may be included in computing stability compensation.

The maximum annual salary on which stability pay will be computed shall be in accordance with the following schedule:

<u>Years of Service</u>	<u>Maximum Base Salary On Which Stability Pay Will Be Computed</u>

Clarification of Health Insurance Article

December 1, 1995

TO WHOM IT MAY CONCERN:

This letter is to clarify the interpretation of Section 7 of Article 22, Insurance, contained in the collectively bargained agreement between Hennepin County and AFSCME Council 14 for the period January 1996 through December 1997.

The parties to this Agreement acknowledge that there is a mutual duty to bargain regarding a change in the level of health insurance benefits unless such change occurs as a result of a change in insurance carriers or self insurance.

The parties further acknowledge that, pursuant to existing Minnesota Statutes, the aggregate level of benefits provided by a group insurance contract may not be reduced unless the parties to the collective bargaining agreement agree to the reduction in benefits. Under existing statutes, therefore, if a change in insurance carriers or self insurance will result in a reduction in the aggregate level of benefits for employees, such change may not occur without agreement of the parties to the collective bargaining agreement.

Clarification of Seniority Letter

March 8, 1994

Mr. Steve Marincel
Business Representative
AFSCME Council #14
267 Lafayette Frontage Road South
St Paul, MN 55107-1683

Dear Mr. Marincel:

The purpose of this letter is to clarify how the parties shall interpret and administer Article 6, Seniority, Section 9 of our Clerical and Related Labor Agreement. Section 9 reads as follows:

"Employees on layoff will be recalled to fill vacancies in other classes and departments for which qualified, provided they may not exercise seniority rights to create such vacancies. Such employees may waive the recall if the salary rate offered by the EMPLOYER for the position to which recalled is more than twenty (20%) percent below the salary rate of the employee when laid off. The name of an employee so recalled will remain on the layoff list for the class from which laid off, subject to the conditions and limitations set forth in this AGREEMENT."

An employee laid off pursuant to Article 6, Section 4 will be recalled via Section 9 to fill vacancies in other classes and departments for which qualified. The employee must accept such recall unless the pay for the job class to which he/she is recalled is more than 20% below that of the job class from which laid off.

The Employer will first recall such laid off employees to vacancies covered by the Clerical and Related Bargaining Unit. If no vacancy is available within the bargaining unit, the Employer will recall such employees to a vacancy outside the bargaining unit, if available.

If the vacancy to which an employee is recalled via Section 9 is in a different class than that from which he/she was laid off (either within bargaining unit or outside bargaining unit), the employee will remain on a layoff list for the job class and bargaining unit from which laid off. When a vacancy occurs anywhere in the bargaining unit in the job class from which the employee was laid off, the employee shall be recalled to fill such vacancy subject to seniority provisions. Upon such recall, the employee will be removed from the layoff list.

If after recalling an employee to a vacancy in a different job class from which laid off (via Section 9), a vacancy becomes available in the job class from which the employee was laid off, but such vacancy is outside the bargaining unit, it shall be the Employer's option to assign the employee to such vacancy. If the employee is so assigned, he/she shall remain on a layoff list for the job class from which laid off in the bargaining unit.

If this interpretation is consistent with your understanding of Article 6, Section 9, please so signify by signing below.

Sincerely,
William P. Peters

As allowed by Minnesota State law (M.S. 471.975), the County Board, through Resolution No. 03-232R1, has authorized two improved benefits for employees who have been called to active duty on or after May 29, 2003.

SALARY DIFFERENTIAL

Employees called to active military duty on or after May 29, 2003 are eligible to receive the difference between their County salary and basic military pay. The differential is payable if the employee's basic military pay is less than what he/she would have received in regular County salary. The following conditions apply.

- 1. Salary differential is available for military service on or after May 29, 2003.*
- 2. County salary is based on daily scheduled work hours for the day(s) of military leave taken. It does not include any miscellaneous salary differentials, such as shift differential.*
- 3. Any salary differential payment will be paid in a lump sum, subject to the County's standard lump-sum tax withholding rate, and it will include PERA contributions. The payment will be separate from any regular paycheck the employee receives during his/her absence.*
- 4. Basic military pay does not include the following: basic combat training, advanced individual training, annual training, periodic inactive duty training, voluntary active service not legally required, or service performed under M.S.190.08 (Subd. 3).*
- 5. The employee, or his/her representative, must request to be paid this salary differential, and supply the necessary military pay records.*

EXTENDED EMPLOYER-PAID HEALTH COVERAGE

Employees called to active duty on or after May 29, 2003 are eligible to continue their County-sponsored health coverage—with a County contribution toward either single or family coverage as though they are actively working—for up to four years.

General questions regarding the pay differential may be directed to OBF Payroll@co.hennepin.mn.us (telephone 612-348-325). Other questions may be directed to the Benefits Unit at HR.Benefits@co.hennepin.mn.us (telephone 612- 348-3530).
